THE FOYER

The Foyer is the hub of the building, and contains excellent break-out space. There is a hatch from the kitchen, from which meals, or coffee and tea can be served. A large screen gives details of daily events, and is connected both to the TV aerial and a computer in the office.

A smart, newly-refurbished and well-equipped building suitable for all sorts of meetings and gatherings. The building has a main meeting-hall capable of seating up to 120 people, 3 smaller meeting-rooms for 8-30, a modern kitchen able to serve hot meals for up to 100 people, and excellent audio-visual facilities.

SMALLER MEETING ROOMS

There are three smaller meeting rooms available for hire. The first, known as the Meeting-Room (seen above), has 12 leather armchairs with 3 coffee-tables, and a fitted AV system. The room can seat about 25 people comfortably, with extra chairs kept in the store room.

The Committee Room (top), has a circular table and 8 chairs and is ideal for very small meetings. The Gallery Room, used as a creche during services on Sunday, can seat about 12 people.

All three rooms can be accessed from the foyer and / or gallery, and can use the kitchen facilities if appropriate.

MAIN HALL

The Main Hall can seat 120 comfortably for a meeting, and around 100 for a sit-down meal. It comes fitted with a modern audio-visual system which enables DVDs to be played as well as allowing Powerpoint presentations and music. There is a 3m electric video projection screen (16:9), which can easily be seen from anywhere in the room. If needed a room divider can be pulled across to split the hall into two - roughly one third and two thirds.

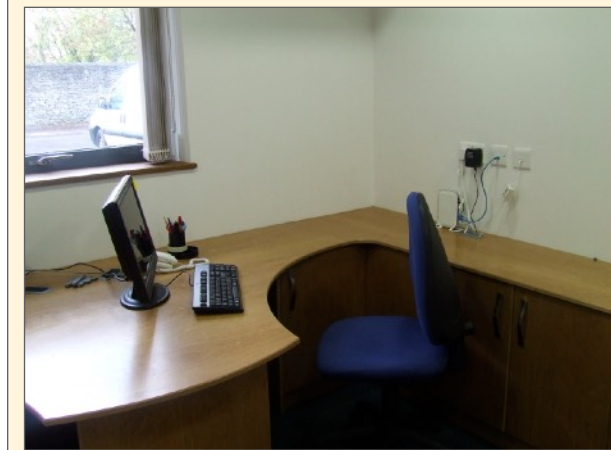

The hall can be fully blacked out when necessary, and underfloor-heating means the room is kept at an ambient temperature.

The hall is ideal for receptions, children's parties and large meetings.

THE KITCHEN

The kitchen has been designed to provide hot meals for up to 100 people. It has an industrial cooker, a large dishwasher, and is well equipped with all manner of kitchen utensils.

THE OFFICE

Open weekdays - 9 till 12. Call 01608.652359 or email office@stdavids.org.uk for enquiries.
